"We bridge the gaps"

PRACTICAL CERTIFIED INFORMATION SYSTEMS AUDITOR (CISA) TRAINING FOR FRESH GRADUATES AND FINAL YEAR STUDENTS

Course Description

This practical hands-on CISA training will enable participants to acquire marketable ICT audit and security skills and pass **CISA** exam at their first attempts. The overall goal of this program is to bridge skills gap in order to increase supply of graduates with skills relevant to cater for the accelerating demand for professionals in these areas of Information Systems Audit, security and assurance. The program is in line with the National Skills Development Strategy 2016-2027 to ensure development of a skilled workforce in key economic sectors in Tanzania

As part of the training package, participants will get an opportunity to conduct real ICT audit assignment(s) in a real business environment under the supervision of our experienced certified ICT auditors. Internships and job opportunities are also available
